Dear parents and carers,

We are always looking for ways to strengthen the partnership between home and school, and an important part of that is making sure our communication works well for our families.

We are inviting you to complete a short survey about communication between home and school. The survey should take no more than a few minutes to complete, and your responses will help us understand what we are doing well and where we can make improvements.

Your feedback is extremely important to us. By sharing your views, you will help guide future decisions about how we communicate key information, celebrate successes, and share news of your child's learning and wellbeing. Every response will be carefully considered and will contribute to ongoing improvements across the school.

The survey can be accessed via the link below and responses will be anonymous:

Thank you for taking the time to share your thoughts and for your continued support of our school community. We value your partnership and look forward to working together to ensure the best possible experience for our children.

Warm regards,

A handwritten signature in blue ink that reads 'S. Hildyard'.
